**Getting Started**

We believe that immigration today helps maintain the vision of freedom on which this country was founded. However, the employment and education of these individuals can be a complicated process governed by the Immigration and Nationality Act and many other federal regulations.

Our goal is to provide educational institutions with professional, competent and experienced services.

If you would like to take advantage of our consulting services, please contact us for an initial consultation.

We look forward to meeting your immigration and educational needs!

# Welcome to Habersham Immigration & Educational Consulting Services, Inc.

## Introduction

Habersham Immigration & Educational Consulting Services, Inc. is an immigration and educational consulting company. We have extensive experience and training handling all types of immigration cases and providing assistance to educational institutions regarding compliance with federal law, immigration regulation, recruitment and the development of offices of international affairs and diversity. We are not lawyers; we are specialists who handle matters related to the immigrant population and their employment and education.

Our expertise lies in the fact that we have over 17 years of combined experience at educational institutions, and have worked with a variety of issues related to diversity, recruitment, admissions and international affairs.

## Consulting Services

We offer consulting services to individuals, small businesses and educational institutions. Our services are designed to fit the specific needs of our clients.
